Recent transactions could take up to 30 minutes to update your statement.

In case of errors or questions about your electronic transfers, telephone us at [855-812-4430](tel:855-812-4430), write the Venmo Error Resolution Department at 222 W. Merchandise Plaza, Suite 800, Chicago, IL 60654, or write to us through the [Contact us](#) page.

Contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared: Tell us your name and username or phone number,

describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information, and finally tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

In case of errors or questions about your transactions made with your Venmo Mastercard, please consult your [Cardholder Agreement](#).
