ACTION REQUIRED TO PROVIDE INFORMATION FOR YOUR DEPOSIT ACCOUNT

PNC Bank is required to maintain deposit account records that will allow us to meet Federal Deposit Insurance Corporation (FDIC) requirements to accurately calculate the amount of deposit insurance available on each deposit account. For jointly owned PNC Bank accounts, all owners need to sign an Account Registration and Agreement form (also called a Signature Card). Among other things, this will help ensure that the account is insured by the FDIC as a joint account.

We previously notified you that we do not have a Signature Card displaying all owners' signatures for this account.

Please contact a PNC Bank location to make an appointment for all joint owners to sign a Signature Card. You can visit pnc.com/locator to find the location nearest you. Please provide reference code 16685 at the appointment.

Your failure to respond could result in a delay of deposit insurance payments in the unlikely event you become entitled to such payments. If you have recently provided this information, please disregard this message.

We're here to help. If you have questions or need assistance, please visit a PNC Bank location, or call us at 1-888-PNC-BANK (1-888-762-2265) and provide the reference code 16685. International callers can call 412-803-7711. (Check with your phone service provider for specific international calling instructions, rates and charges that may apply. Collect calling availability varies by country and may require a local operator).

IMPORTANT ACCOUNT INFORMATION

The information below amends certain information in our Consumer Schedules of Service Charges and Fees and our Features and Fees ("Schedules"). All other information in our Schedules continues to apply to your account. Please read this information and retain it with your records.

Effective October 14, 2024, the \$3.00 fee for Debit Card Cash Advances completed in PNC Bank Branches has been eliminated.
