Officer Bryant:

After careful consideration and research, we have come to the conclusion that the request for Innocent Spouse Relief is not warranted and has very little chance of approval.

To that end, we would like to withdraw our petition, dated 10/22/2023 for tax periods 2016-2020.

I can be reached at (423) 482-9737, if you have questions or require further information.

Sincerely,
