INSTRUCTIONS FOR RENEWAL

Failure to receive a renewal notice does not exempt you from registration requirements. The renewal notice or the current registration document may be used to renew the expiring registration.

Renewals of registration for all vehicles (except permanent registrations) are for twelve (12) months from the current expiration date. If the current expiration date falls on Saturday, Sunday, or a holiday, the current registration remains valid until the next business day.

Tennessee law requires you to register non-commercial vehicles in your county of residence.

If you no longer own the vehicle described above please destroy this form.

Your renewal obligation depends on whether you have moved the plate listed above to another vehicle. If you have done so and have not yet registered the other vehicle, you must do so before the current registration expires.

DO NOT attempt to do this by mail or online.

The fee for renewal includes the state registration fee and local wheel tax (where applicable). If you renew by mail, please add \$2.00 for postage and handling. If your license plate number appears in the "license no." box above, you will receive a renewal decal for your current license plate. If the box is blank, a new license plate will be issued.

If the pre-printed address above is incorrect, please clearly print your correct address in the boxes provided.

Please contact your County Clerk or refer to their website to determine whether your county has an emissions requirement. County websites and emissions information are also available at

PERSONALIZING YOUR LICENSE PLATE

EXAMPLES					
	7 CHARACTERS	6 CHARACTERS	SPACES INCLUDED	MINIMUM	SPECIALTY/CULTURAL

The fee to personalize a regular passenger plate or a trailer plate is \$35.00. The fee to personalize your collegiate, specialty or cultural license plate is \$70.00. With the exception of the trailer personalized plate, which funds the development and maintenance of horseback riding trails, the personalization fee helps support the Tennessee Arts Commission. To order your personalized plate **for the first time**, complete the application below and send it to the Vehicle Services Division with the fee indicated on the application. **Do not mail your renewal notice or regular registration fee with this application.**

Plate requests received and approved during a given month should arrive at your county clerk's office within the last five working days of the following month. At that time you may obtain your plate. If the plate is due to arrive the month your vehicle's registration expires, take your renewal form to your county clerk's office within the last five days of the renewal period, pay your regular registration fee, and pick up your license plate. To renew your personalized plate, simply take or mail your renewal notice to your county clerk's office and pay the renewal fee listed on your notice.

Personalizations are **centered, regardless of content**. Maximum characters for specialty plates may vary. Location of specialty plate's graphics determines exact centering of the personalization.

If choosing the personalized "Helping Schools" plate, remit **\$39.00 with this application**. The remaining \$31.00 should be remitted to the County Clerk in the applicant's county of residence upon receipt of the plate.

Tennessee reserves the right to refuse to issue objectionable combinations. All orders for personalized plates are approved on a first come, first served basis. Priority will be given to your first choice, but list a second and third choice in case your first choice is taken.

Make check or money order for the applicable fee payable to the State of Tennessee and mail with complete application to:

NOTE: The additional fee is due each year for renewal of your registration plate.
