In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, contact us as soon as possible. You may write to us at the following address:

BB&T Liability Risk Management
P.O. Box 996
Wilson, NC 27894-0996

You may also call BB&T Phone24 at 1-800-BANK BBT or visit your local BB&T financial center. We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the error or problem appeared. Please provide the following information:

We will investigate your complaint/concern and promptly take corrective action. If your periodic statement shows transfers that you did not make, tell us at once. If you do not inform us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days. This will occur if we can prove that we could have stopped someone from taking the money if you had informed us in time. If a good reason kept you from informing us, we will extend the time periods.

Important Information about your Constant Credit Account

Once advances are made from your Constant Credit Account, an INTEREST CHARGE

will automatically be imposed on the account's outstanding "Average daily balance." The INTEREST CHARGE is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid INTEREST CHARGE. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, contact us as soon as possible. You may write to us at the following address:

BB&T Liability Risk Management
P.O. Box 996
Wilson, NC 27894-0996

You may also call BB&T Phone24 at 1-800-BANK BBT or visit your local BB&T financial center. We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the error or problem appeared. Please provide the following information:

- Your name and account number
- Describe the error or transfer you are unsure about, and explain in detail why you believe this is an error or why you need more information
- The dollar amount of the suspected error

We will investigate your complaint/concern and promptly take corrective action. If we take more than ten (10) business days to complete our investigation, your account will be credited for the amount you think is in error, minus a maximum of \$50 if we have a reasonable basis to believe that an unauthorized electronic fund transfer has occurred. This will provide you with access to your funds during the time it takes us to complete our investigation. You may have no liability for unauthorized Check Card purchases, subject to the terms and conditions in the current BB&T Electronic Fund Transfer Agreement and Disclosures. If you have arranged for direct deposit(s) to your account, please call BB&T Phone24 at 1-800-BANK BBT to verify that a deposit has been made.

If your periodic statement shows transfers that you did not make, tell us at once. If you do not inform us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days. This will occur if we can prove that we could have stopped someone from taking the money if you had informed us in time. If a good reason kept you from informing us, we will extend the time periods.

Important Information about your Constant Credit Account

Once advances are made from your Constant Credit Account, an INTEREST CHARGE

will automatically be imposed on the account's outstanding "Average daily balance." The INTEREST CHARGE is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid INTEREST CHARGE. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."
