Insurance requirements

The loan documents you signed state you will insure the collateral described in the loan. You must maintain this insurance throughout the duration of the loan with Wells Fargo Dealer Services. To comply with this requirement, the policy must include:

- Insurance coverage naming each borrower/co-borrower
- A complete description of the collateral financed, including the Vehicle Identification Number (VIN) or Hull Identification Number (HIN)
- "Wells Fargo Dealer Services" named as the loss payee
- Coverage in effect from the date of purchase
- Insurance coverage in an amount at least equal to the collateral's cash value
- Insurance coverage with deductibles stated on the policy

Collateral protection insurance (if applicable)

Wells Fargo Dealer Services strongly encourages that customers obtain insurance coverage from an insurance company or agent of choice. However, if we fail to receive evidence of adequate insurance effective as of the date of your loan or at any time throughout the term of your loan, we may purchase insurance on your behalf to protect our interest in the collateral.

The coverage Wells Fargo Dealer Services may buy is very limited. The coverage does not provide bodily injury and property damage liability insurance. The coverage does not comply with any financial responsibility law. The coverage may cost more than the insurance you could buy yourself. If insurance is purchased on your behalf, you are obligated to pay the lender the cost of the insurance, plus interest, according to the loan.

Evidence of insurance

Appropriate evidence of insurance is required during the term of the loan. Evidence of insurance should be sent to the following address:

Wells Fargo Dealer Services
Attn: Insurance Service Center
P.O. Box 5075
Coraopolis, PA 15108-5075
1-800-368-6805

Please be sure your agent includes the following information:

- Complete owner's name and address
- Collateral year
- Collateral make
- Vehicle Identification Number (VIN) or Hull Identification Number (HIN)
- Wells Fargo Dealer Services account number
- "Wells Fargo Dealer Services" as the loss payee of the collateral

Insufficient funds fees

Please be advised that Wells Fargo Dealer Services will assess a per-check fee in applicable states for any payment that is dishonored by your bank because of insufficient funds. NSF Fees for loans originating in **Washington** are \$15.00 per check (\$25.00 for marine and recreational vehicles), in **Arizona** are \$25.00 per check, and in **Texas** are \$30.00 per check. Residents with loans originating in these and other states may refer to their loan documents for specific insufficient funds fee disclosures, if applicable, as amounts may vary based on state law and/or type of loan.
