Request for reconsideration of audit
Brandon C Tankersley, 259-51-7291
Tax years 2012, 2014, & 2015, Forms 1040

To whom it may concern:

We respectfully request a reconsideration of several items from an audit performed on my client's returns. The justification of the reconsideration is new evidence that was not given beforehand to the auditor.

Mr. Tankersley retained a local CPA as Power of Attorney, to file his tax returns and represent him in the audit. When the auditor requested substantiation of business expenses. Mr. Tankersley provided a "Bankers Box" of receipts, invoices, contracts, and check stubs.

He was assured by the POA that he would take care of it and not to worry. When the audit was completed, the POA again assured Mr. Tankersley that he was taking care of everything.

After a couple years he finally got his records back from the POA. He has since retained us to seek redress and get into compliance with the IRS.

To that end, we submit the following Forms 12661 with the supporting documents and request further adjustment/correction of resultant taxes & penalties: Self-Employment tax, Failure to File penalties, Failure to Pay penalties, Interest, Accuracy Related Penalties, and any other relevant tax or penalties.

Thank you,

David Collins
