Thank you for choosing TaxAct Professional. The details of your order appear below.

**Your Practice ID is** TA-L5C6-M7N5

To download your software:

1. [Sign in to your TaxAct Account](#) using your username (below) and password.
2. Click on the "Orders & Downloads" tile.
3. Click the "Download" link for each product you wish to download. After downloading the file(s), double click each to install.

**One or more of the products you have ordered are not yet available.** You will receive notification with further instructions at this e-mail address when the product has been released.

Advance versions of TaxAct Professional Federal Editions will be available in October. State products are released as forms become available, starting in January. See the [Product Release List](#) for estimated release dates.

If you haven't already prepaid, your credit card will not be charged for Federal Editions or Client Xchange purchases until late October and for the remainder of your order until the end of December. We will send a reminder email approximately a week prior to charging your card either time.

**Reminder:** The IRS requires TaxAct to verify e-file providers. This verification process must be completed for each EFIN used in your office **before you will be able to e-file with that EFIN.** Please visit the Practice Administration tile in your [TaxAct Account](#) to submit your [EFIN verification information](#) or confirm your current EFIN status.
