

Manta is the place for small business

You need to get your business listed in the places customers search online!

Manta gets you listed on 100+ major business directories around the web, giving you the best chance of being found where your customers search.

Customers look for what they need online. In fact, 9 in 10 customers search online before making a purchase. Help them find your company by listing your business with accurate information across every major online directory.

ESSENTIAL LISTINGS

\$99 / Month

- ✓ **Listing Push** - takes all your information and gets it on 100+ major directories including Amazon Alexa, Siri Voice Search, Google My Business, and Yelp.
- ✓ **Listing Control Room** - Did you change your phone number or move locations? No problem! Any changes to your Manta Dashboard automatically pushes to all your directory listings.
- ✓ **Manta Stats** - See how your listing does on our platform compared with your competition on our Member Dashboard.
- ✓ **Auto Suppression** - We'll move all incorrect or outdated business info to the bottom of the Manta search results, bringing you more business.
- ✓ **Reputation Manager** - See and respond to reviews of your business.
- ✓ **Listings Performance** - See how your listing does across All Directory searches

I'm Ready to Grow My Business Online! Now What?

Let Manta help you with one of the most essential pieces of your online marketing.

What Our Customers Say

I've been building my business for a while now, and since I went with Manta I've seen a lot more clicks to the website. The listing service really works and was an easy yes for me. We all know how it works: more searches, more business. I'm sticking with Manta.

Mike M. ★★★★★
